BetterMe - a forum to learn Etiquette and Life Skills

I am Mrs Deepa, founder of BetterMe. BetterMe is a forum to teach etiquette and life skills to children and professionals. I have over 20 years of experience in training and teaching both in schools and corporate internationally. We conduct etiquette classes for children and adults.

In the light of the present scenario where students have started/about to start taking regular classes online for the new academic year 2020-2021, authorities have realized that we not equipped ourselves and our children for safety and security and the classes are being conducted in unscientific way. Several cases of cyber bullying of teachers during online classes have come to light. Hence, we are organizing a National Webinar for Institution heads, teachers and students on Netiquette, Cyber Rules and Cyber Safety in collaboration with the Cyber Crime Department of India.

In order to prevent any harassment of teachers and any unpleasant experience, we have prepared a Webinar for students from class 1 to 10. This is to inform the students about -

- the strict cyber laws,
- ways to avoid unpleasantness on social media and handle cyber bullying
- and to teach them the Netiquettes which will help them to make the best of this opportunity of studying online.

The resource persons are well qualified in their line of work. Our panelists include -

· SP Cyber Crime Department
· Psychologist
· Etiquette Coach

In regards with this endeavor, I am hereby requesting your cooperation to involve maximum students to not only promote but also participate in this Webinar so that students and teachers can be protected from cyber bullying.

The sessions will be organized in two groups i.e.

- Group A for class 1 to 4
- Group B for class 5 to 10

Institution heads and teachers can join either of the sessions.

The content will be age appropriate and comprehensive.
